

The use of the website is highly encouraged as provider information is updated each working day to provide the most up-to-date information. A wide choice of qualified, board certified providers are located on the website at [www.nvpp.com](http://www.nvpp.com).

1. Once you have logged on, select a region of either “Northern Nevada”, “Southern Nevada”, or “All Nevada”, otherwise, “All Nevada” will be the default option.
2. Entering fields such as provider name, city, or zip code will narrow your search.
3. Click “Search” at the bottom to initiate the inquiry.
4. If you are looking for a specific providers name but can not remember how it is spelled, the Alphabetic Directory can be a useful tool.

\* Both the “North Directory (PDF)” and the “South Directory (PDF)” are updated quarterly and can be viewed, saved, or printed for your convenience.

NEVADA PREFERRED HEALTHCARE PROVIDERS

1. Your search results will look like the following picture which displays specialty, provider name and group, address with directions and phone number.
2. By clicking on “more info”, further information such as additional languages, provider's gender, and if the provider is accepting new patients is displayed.
3. Simply type in an email address and press “Email Results” to have the search results emailed to an email address of your choice.

# Creating a Personal Directory

The feature of creating a personal directory is available to everyone and with only two easy steps:

1. Once you have accessed the [www.nvpp.com](http://www.nvpp.com) website, click "Create New Account".
  - Enter a username and password of your choice.
2. This will bring you to the directory screen. Each provider you now search for will have an "Add to Directory" button.
  - Now each time you log in to your Personal Directory, instances where updates such as change in address, phone number, or if the provider is no longer in the network will notify you to complete a new search.
